CAR PARKING

Just a reminder to the driving and parking outside the studio. We have the nine end spots at the right end of the car park if you are standing on the road looking at the studio. After 5.30pm we have access to all parks on our side of the road (thanks to the generosity of our neighbours). **Please ensure that you do not drive in the driveway in front of the coffee business and drive across car parks into our spots.** This is extremely important and must be adhered to, please remind any extended family or friends who may be helping out with pick ups and/or drop offs. If all spots are full you are welcome to park at the rear of the studio. **Please also ensure you park your car in the allotted spots when dropping off and picking up. Many cars have been stopping in the drive way and blocking the entry and exit of other cars trying to park.**
